There was a motion and second to accept the report as presented. Unanimous vote among members to accept the Treasurer's Report.

Roger had compiled a list of individuals who have paid 2026 dues, including family members; we have 23 paid members as of this date. Roger will send the list to the members via email.

Facebook Page and Web Site

There was some discussion about who controlled the Facebook page. It was suggested that the messaging portion be disabled and anyone interested in the club should contact a club member directly. No one is offering license training and ARRL has their own program.

Upcoming Events

Winter Field Day: There was no interest in operating this year; Kevin suggested we think about next year, possibly operating from an ice shack on Boyden's Lake. Other planned club events will include Field Day in June and the Hamfest in September, and possibly the Scout Camporee in September. Need to let ARRL know of our events so they can post them.

Roger and Kevin will work on updating the list of club officers for ARRL's directory.

As part of the 250 celebration 2026 will be the Year of the Club.

Boat Anchor Hamfest in Augusta will be January 24 and 25.

No date has been set for the State Convention.

NEAR-Fest will be on May 1 and 2 in New Boston, NH

It was agreed that the zoom meeting went well and it was a good idea to try it for our winter meetings.

The meeting was adjourned at 1505.

Respectfully submitted

Maurry Mills, Secretary
